Weekend Series: **Emerging from the Ashes**

Just as the mythical Phoenix perishes in fire only to arise from its ashes reborn anew, so too is humanity being enflamed by a conflagration of Divine Spirit and Consciousness. Attachments to a life that could never serve your soul's potential are painfully burning away. Limitations and obstacles are incinerated in the fire of God's Light so that you are resurrected into the awareness of your true Divinity for the evolution and Ascension of this planet.

Spiritual Master Panache Desai shares the *Christ Energy*, God's gift of love and protection for mankind. He speaks of this energy as a *gift* that is *shared through him*. This miracle transmits profound peace, grace, light and love, empowering people to free themselves of pain, suffering, sadness and all self-limiting beliefs
