Weekend Series: **Awakening**

Once reborn from the ashes and resurrected into the awareness of your true Divinity, you are ready to acknowledge that a new way of being is AWAKENING within you. With Panache's guidance as a vehicle for the Divine, you are initiated into your highest light. Experience a sacred process of union with your true nature. Embrace the truth that all that you are, and all that you experience is a full expression of God's light. Through this baptism of light everything shifts and you wake up each morning in a place of openness – a place of inspiration – a space of illumination. The time for awakening is now and the place of this transmission is within you.

Spiritual Master Panache Desai shares the *Christ Energy*, God's gift of love and protection for mankind. He speaks of this energy as a *gift* that is *shared through him*. This miracle transmits profound peace, grace, light and love, empowering people to free themselves of pain, suffering, sadness and all self-limiting beliefs
